Long Tail Cast-on Knit-Kard™

Nancy's Knit Knacks LLC Copyright © 1998

1. Take the number of stitches to be cast-on and divide by 10.
2. Multiply the resulting number by the Multiplier listed in the table below for your specific needle size. The result is the # of inches needed to cast-on. The table also serves as a needle conversion chart.

US	Metric	Multiplier
0	2.00	5
1	2.25	5
2	2.75	5
-	3.00	6
3	3.25	7
4	3.50	7
5	3.75	8
-	4.00	8
6	4.25	8
7	4.50	9
